Proponent Issues/ Initiatives

- Maintain lines of communication with TASS Battalions especially as 56M Title XI slot lost at 108th
  - Highly specialized training
  - Unfamiliarity of other PSS/CSS NCOs with CH Asst. tasks, skill and responsibilities

- Digitization of Chaplain School training difficult to realize in TASS Battalions

Future TATS Challenge

- Increased rate of change in courses / slowness of coordination process

- Increased funding needs for DL – Low density makes IDT as a second phase impractical
